

OUR PROGRAM

StudioFive10 is grounded in principles that are designed to create powerful relationships, which are essential to building thriving communities.

We provide direct services to students, staff, and families. Restoration Coordinators facilitate conflict mediation circles, community building activities, social emotional learning workshops, and provide restorative interventions with referred youth.

The StudioFive10 Restoration Program aims to reduce suspension, office referrals, and student conflict.

STUDIOFIVE10

SOCIAL & EMOTIONAL
RESTORATION PROGRAM

Universal, Targeted, & Individual Services

CONFLICT MEDIATION

- Restoration Coordinators lead conflict mediation circles that bring all parties together to meet and settle on a plan to repair the harm.
- Students learn to resolve disagreements, take ownership of their behavior, and engage in acts of empathy and forgiveness.
